Master resume

v7

Voice & tone

How generated resumes and cover letters should sound. Applies to all documents; you can override per job later.

Tone

Direct

Short, factual, outcome-led

Warm

Personable but professional

Formal

Traditional, conservative fields

Bold

Confident, startup-flavored

First-person voice

First person ("I led...")

Implied ("Led...")

Style notes for the generator

Keep sentences short. Lead with measurable outcomes. Never use the words "passionate," "synergy," or "rockstar." Mirror the vocabulary of the job posting where honest.

Preview with current settings

"Led a 4-person redesign that cut onboarding drop-off 31% in one quarter."
